How NEXPORA Protects Your International Tuition

Local Currency Savings • Consular Proof-of-Funds Certificate • Guaranteed Visa-Refusal Refunds

1. Your Tuition Stays Protected Until Your Education is Delivered

Sending tuition abroad shouldn't feel like a gamble. NEXPORA Safeguarded Education Escrow protects students and parents across Universities, Boarding Schools, Language Schools, and Online Diploma Programs:

- **Segregated Tier-1 Safeguarding:** Your payment is locked in a ring-fenced statutory safeguarding account—completely protected prior to milestone completion.
- **Pay in Your Local Currency & Save:** Settle via Smart Collect™ using local bank transfers and domestic wallets across 200+ countries, avoiding costly 3%–5% local bank FX markups.
- **Scheduled Study Installments:** Instead of handing over an entire year's tuition unprotected, funds release to your school only as agreed milestones (Visa Grant, Arrival, Term/Module Progress) are met.

2. Consular Proof-of-Funds Certificate & Guaranteed Visa Refunds

Work seamlessly through your trusted local Education Agency or apply directly via AIEDU 'Counsel & Clear™':

- **Consular 'Golden Ticket' Certificate:** Immediately upon deposit, receive a cryptographically verifiable Certificate of Safeguarded Funds to present at your embassy visa interview.
- **Guaranteed 48-Hour Visa-Refusal Refund:** If your student visa is declined by immigration authorities, upload the official refusal letter for an automatic direct refund to your original account.
- **Works With Your Agency or Direct Self-Service:** Whether you book with a partner education counselor or apply independently on nexpora.com/aiedu/, your funds carry 100% escrow protection.
